OUR PLATFORM.

Adopted by Utah County Convention, at Provo, September 7, 1898.

PLATFORM AND RESOLUTIONS.

The Democratic party of Utah county, by its authorized delegates in convention assembled, submit the following declaration of principles:

1—We reaffirm, and endorse the Democratic platform adopted by the National Democratic Convention at Chicago in 1896, and especially that portion of said platform which declared in favor of the free and unlimited coinage of silver equal with gold at the ratio of 16 to 1. The warfare between the money power of the world and the masses of humanity is still on, the issue is as important now, and more important than it was in 1895. It is and must continue to be a conflict between grinding monopolies on the one hand and the down-trodden masses on the other, until, by the mighty voice of the people at the ballot box, it shall have been settled, and settled right. This is the paramount issue before the people. It has hitherto been in the State of Utah a question upon which all of the political parties agreed. Recently, however, by the use of juggling words and meaningless terms, calculated only to obscure the vital question and beg the issue, the Republicans of Utah, with many honorable exceptions, in violation of their solemn pledges and promises to the people, have taken a backward step in the progress of the fight until it has become impossible to regard them any longer in any other light than as the friends of gold and enemies of silver.

The only true friends of any question are those who fight for its triumph, and fight to win. Such is the attitude of the Democratic party towards the free and unlimited coinage of silver equal with gold as a money of ultimate redemption.

2—The Democrats of Utah county are proud of the results of the war with Spain. We are none the less proud of the fact that Democratic Senators and Representatives in the Congress of the United States by unceasing agitation, in spite of a formidable opposition by Republican leaders created a public sentiment in the country

The committee recommends that primaries for the election of delegates to the said County Convention be held in the respective precincts on September 30, 1898.

The committee further recommends, with a view to expediting the business before the County Convention, that at the primaries to be held in the respective precincts, delegates to the Democratic State Convention be nominated, subject to the ratification of the County Convention, in conformity with the following apportionment: Provo, 11; Springville, 6; Spanish Fork, 5; Salem, 1; Payson, 5; Benjamin, 1; Lake Shore, 1; Spring Lake, 1; Santaquin, 3; Goshen, 1; Fairfield, 1; Cedar Fort, 1; Lehi, 5; Alpine, 1; American Fork, 5; Pleasant Grove, 4; Vineyard, 1; Lake View, 1; Provo Bench, 1; Mapleton, 1; Thistle, 1; and Tucker, 1.

All voters who endorse the principals enunciated in the platform adopted at Chicago by the Democratic National Convention of 1896, and who will support the nominees of the Democratic Convention are entitled to participate in the primaries and the Convention hereby called.

It was further resolved that an assessment of fifty cents for each delegate be laid upon the several precincts, to be forwarded to the Committee by the delegates for use in the payment of bills against the party incurred up to and including the date of the County Convention.

Dated August 16, 1898.
A. D. GASH, Chairman.
GRANT C. BAGLEY, Acting Secretary.

which forced and compelled a reluctant Republican Administration to declare war. A declaration which not only the distinction of the "Maine" was arranged, but liberty and the opportunity of enlightened free government was extended to an oppressed and down-trodden people.

3—We reaffirm our adherence to the doctrine of equal suffrage, and are proud of that provision of the Constitution of the State of Utah, by which equal suffrage is guaranteed without regard to the distinction of sex; and we declare that that provision of the Constitution, and the laws made in pursuance thereof should be given the fullest possible effect; and the absolute right of women to vote and hold office should be upheld and maintained.

4—We congratulate the people of Utah county, and the Democratic party therein upon the clean, frugal and honest administration of the county government by the officers elected in 1896. The county government has been administered and conducted in the interest of the citizens and the taxpayers and for the public good. We therefore, as the representatives of the party to whom said officers owe their election, heartily endorse and approve the manner in which they have discharged their trust and bespeak for them the sincere gratitude of the people of Utah county.
